

Note from the CEO

Greetings,

Spring is here and we are excited about all the services we offer at the credit union. We continue to expand access to you with eStatements, eReceipts, home branching, shared service centers, and bill pay, just to name a few. We realize that you can't always come into the office, so we want to be where you are. Our goal is to *fit your lifestyle!*

I am really excited about our mortgage promotions this spring. Your good credit can put you in the house of your dreams. Or if you just want to spruce up the house you are in, let us provide the financial resources to make your dreams come true. Don't forget about our low-interest vehicle loans. This is going to be a good year; take advantage of it by rewarding yourself with the best deals ever. And remember, it is always our pleasure to serve you.

Sincerely,
Sheilah Montgomery
President/CEO

Atlanta Pension Fund Membership Association (APFMA)

The Atlanta Pension Fund Membership Association (APFMA) was established in 1992 in response to the mismanagement of pension account funds. An investigation later led to the conviction of those involved. Our mission is to have a collective and unified voice concerning retiree benefits and to act in the best interests of all City of Atlanta retirees and beneficiaries with regard to their earned/accrued pension benefits. APFMA funds are used primarily as a legal defense fund for City of Atlanta retirees, beneficiaries, and active employees' pension/insurance benefit. The cost of a lifetime APFMA membership (\$150) will cover the cost of one "billable" hour for an attorney in the Atlanta metro area to defend your pension benefit. We are a 501 (c) (4) organization. All dues and contributions are tax deductible.

Please consider joining us today using the Membership Application Form below or using PayPal at www.apfma.org.
