

CEO'S CORNER

by: Allen Upchurch, *President & CEO*

At the moment I am writing this column, we are coming out of a very challenging but successful core processing conversion and facing the threats of a pandemic event in the coronavirus that has impacted the entire world.

For the conversion, let me please reiterate our apologies for the difficulties many of you have had with logging on to our online and phone banking service, and with information coming over from the old system erroneously at times. In terms of balances, I can say with 100% certainty that all loan and deposit data came over from the system with no issues at all. Where we have had some bumps in the road are in other records, which have caused payments to be posted twice, distributions not to be posted in a timely manner, and ACH items to kick out as exceptions, just to name a few. However, we are on top of all these issues, and expect full correction and issues solved very shortly. I thank you for your patience with us as we've experienced higher than normal phone and lobby traffic, and assure you that we want nothing more than to serve you and take care of any problems or issues that come up with your account relationship with us.

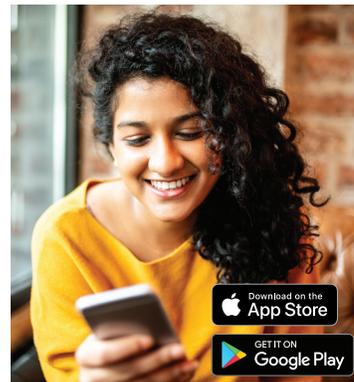

As for the coronavirus, we are monitoring this event every day, and are taking steps to prepare for the worst, while hoping for the best outcome. Our plans are in place, and we will be sending out information to you as we get it. As we deal with this outbreak and its impact, we assure you that our most important goal is to protect you and your relationship with us.

With the recent conversion, I am happy to report that we now have our credit union's first mobile app, "myCUApp," and it is available for downloading from the Google Play Store for Android users, and the App Store for iPhone users. Please download it and enjoy the conveniences it brings in the way it will help you manage your funds.

Finally, just a quick reminder, as the enclosed article shows, our **Annual Meeting will be at the Dennard Center of Atlanta Tech on Metropolitan Parkway on April 27, 2020**. Registration starts at 5:00 PM, with food and refreshments available, and the meeting starts promptly at 6:00 PM. Please come out and get your annual report and some giveaways as well.

As always, thank you so very much for your business, and the trust you place in us every day to be your credit union.

CUA MOBILE APP IS HERE!

MAXIMIZE YOUR GOLDEN YEARS - CONTRIBUTE TO YOUR IRA!

If you're still working, you want to make sure you are taking full advantage of the opportunity to save for your golden years. Remember, you can make 2019 IRA contributions until **Wednesday, April 15, 2020!**

For a full list of IRA year-end reminders and FAQs, visit www.irs.gov.

Don't have an IRA started yet? Visit www.cuatlanta.org to explore our IRAs and get started on your golden savings.

HAS YOUR CONTACT INFORMATION CHANGED?

Please help us keep your records at Credit Union of Atlanta current. It is vital that we have correct contact information to reach you with statements and other important account information. If you have had a change to any of your contact information, please let us know. It is easy to complete the update in person, in writing with your signature, or via online banking. Thank you for helping us keep our records up to date!
