

CEO'S CORNER

by: Allen Upchurch, *President & CEO*

We continue to monitor the coronavirus for potential changes we may make to our operations. We sincerely wish we could see you all every day like we normally like to see you and wait on you, and we appreciate your patience with us as we've had to keep our lobbies closed.

By the time you receive this newsletter, we will have taken an initial step to reopen the Main Office to serve you by appointment only. And as we continue to monitor the waning of this virus and its impact, we will be making further changes to accommodate more people in the lobby. Please go to our website and click on the banner at the top of the home page for the latest information and updates.

Our most important goal is to protect you and your relationship with us, and so we must continue to handle the majority of our transactions through the drive-through lanes. The reason for this approach is to minimize the risk of having to shut down the entire building for a period of time in the event one of us becomes exposed or worse, comes down with the virus while at work.

We hope you will take some time, during this period of limited onsite service, to download our new mobile app, "myCUApp" to your cell phone. It gives you lots of information about your accounts and allows you to perform basic transactions. Also, if you haven't re-enrolled in our new online banking or telephone banking system, please go to the website at www.cuatlanta.org and re-enroll. Our new service provides better functionality and great information about your accounts!

Finally, just a quick reminder, our **Annual Meeting, which was originally scheduled to be at the Dennard Center of Atlanta Tech on Metropolitan Parkway on April 27, 2020, will be rescheduled at a later date, when further restrictions have been lifted and it is safe to gather together. We will provide you thirty (30) days advance notice of its new date and time.**

As always, thank you so very much for your business, and the trust you place in us every day to be your credit union.

CONTINUED SAFE PRACTICES

We are happy to announce that our Main Office lobby is now open by appointment only, so we can serve you in the way we like best, face to face!

However, we want to remain vigilant about staying safe in public places by continuing the prevention methods we've been practicing.

To ensure safety, we ask all staff & members to:

- **Clean hands often** – Wash your hands with soap and water or use hand sanitizer, especially after touching frequently used items or surfaces.
- **Avoid close contact** – Please maintain social distance in our facilities by allowing 6 feet of space between yourself and others.
- **Cover coughs & sneezes** – Remember to always cover your mouth and nose with a tissue when you cough or sneeze or use the inside of your elbow. Throw used tissues in the trash and wash your hands.
- **Wear a mask** – Facemasks are mandatory while inside the credit union, and we strongly encourage you to consider using face coverings while in public, and particularly when using mass transit.
- **Clean & disinfect** – We will continue to follow proper cleaning protocol of our facilities, ATMs, electronics and soft surfaces.
- **Stay home when ill** – Please stay home if you are feeling ill and use our many remote banking options instead.

If you need to enroll in online banking or learn about all of our remote banking services, please visit www.cuatlanta.org. Thank you for your cooperation!
